 सञ्ज्ञान सूक्तम् ऋग्वेद अष्टम मण्डल : १९१-२-४
 - हम साथ चलें, मिलकर चलें, मिलकर सोचें, मिलकर संकल्प करें
 और मिल करके हम देश को आगे बढ़ाएँ ॥

Let all assemble together. Let all speak together. Let all minds be in harmony. The Shining Ones of ancient times all proceeded by this worship. When all thoughts are absorbed in mantra, then consciousness becomes fixed in the recollection most glorious. When all thoughts become absorbed in mantra, then by means of mantra all thoughts are poured as oblations into the divine fire.
 This place is common. These thoughts are common. So let our hearts be shared as well. Let all thoughts, all minds be united so that all may enjoy peace and contentment.

It seeks to transform the outlook of youth minds for their involvement and access in societal and rational causes for nurturing the dreams and legitimate aspirations of young and resurgent faces of India for strengthening the foundation of youth. It imparts practical training to prepare the youth for politics and society. It encourages youth to serve the society by entering into public life and assuming roles. IYP conducts an unique and nationally significant 1-day annual Youth assembly in the month of April and three days Indian Youth Parliament on 15th to 17th September, on the occasion of World democracy Day each year.

Vision
Indian Youth Parliament envisages that motivated, committed and political youth leaders will emerge to provide a positive and effective leadership to their country and practice morality and politics for the betterment of the country and the world.

Objectives
To create a common platform for young student leaders. To facilitate interaction with eminent leaders from different sectors. To sensitize the participants to think on regional, national and global issues. To focus on the areas which need immediate attention followed by action. To initiate a process to attain equality and social harmony.

Join Us
It seeks to transform the outlook of young minds for their involvement and access in societal and rational causes for nurturing the dreams and aspirations of young and resurgent faces of India for strengthening the foundation of Indian democratic leadership. It imparts practical leadership training to prepare the youth for future leadership in the fields of politics, journalism and varied service sectors. It encourages the students to serve the society by entering into public life and assuming leadership roles.

Ideology
IYP is an independent and neutral organization that does not take political positions on the issues it addresses. It is rather a non-political organization established to transform the outlook of young minds for their involvement and access in societal and rational causes for nurturing the dreams and aspirations of young and resurgent faces of India for strengthening the foundation of Indian democratic leadership. Neither does it have any political affiliation of any sorts nor does it support any political ideology.

Strength
Indian Youth parliament is a foundation which is not funded or aided by any other organization. It tries to meet some of its expenses partly through participation fee and a few sponsorships. Indian Youth parliament is a not-for-profit foundation. We are yet to generate any surpluses of any kind as organizing expenses are far more than the amount generated as explained above.
